¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. Recommendation 1.1 – A listed entity should have and disclose a board charter setting out:

- a. the respective roles and responsibilities of its board and management; and*
- b. those matters expressly reserved to the board and those delegated to management.*

As detailed in the Board Charter, the primary role of the Board is to provide strategic guidance and financial management and controls for the Company through effective oversight of management. The Board is also responsible for the overall corporate governance and successful operation of the Company.

The Board has adopted a charter which sets out the Board's role and responsibilities and establishes a clear delineation between the functions specifically reserved for the Board and those which are delegated to its Managing Director & Chief Executive Officer (**MD & CEO**) and Executive Team. Decisions reserved for the Board relate to those that have a fundamental impact on the Company, such as the appointment of the MD & CEO, acquisitions, future strategy, ASX listing obligations, audit, governance and risk, the approval of budgets, executive remuneration, and material capital and operating expenditure.

Management (namely, the MD & CEO and the Executive Team) is responsible for implementing the approved strategy, day-to-day operational management of the business, and ensuring that all risks and material performance issues are brought to the Board's attention. They must operate within the risk and delegated authority parameters set by the Board.

A copy of the Board Charter is available on Uniti's corporate website: <http://unitigrouplimited.com>.

Recommendation 1.2 – A listed entity should:

- a. undertake appropriate checks before appointing a director or senior executive or putting someone forward for election as a director; and*
- b. provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.*

The Board has established a combined Nomination and Remuneration Committee, the functions of which are set out in the Nomination and Remuneration Committee Charter, a copy of which is available on Uniti's corporate website.

One of the main roles of the nomination function of this Committee is to identify suitable candidates with appropriate skills, experience, and diversity to complement the existing Board, and where appropriate, to recommend those candidates to the Board for appointment as a director.

Directors are appointed to the Board by the Board of Directors and are subject to election by shareholders at the next annual general meeting following their appointment.

Prior to appointing a person as a director, the Board will undertake comprehensive checks as to each appointee's character, experience and background, including criminal history checks, bankruptcy searches, personal name searches and disqualified person searches. The Board will also make appropriate enquiries as to the other directorships and commitments held by each individual to ensure that they are able to commit sufficient time and resources to appropriately fulfil their roles as directors of Uniti.

When a director is standing for election or re-election (following retirement in accordance with the Constitution), Uniti will, through the Explanatory Notes to the Notice of Annual General Meeting, provide shareholders with all material and relevant information about the director's character, experience and qualifications that would be relevant to the shareholder making a decision on whether or not to elect or re-elect a director.

Recommendation 1.3 – A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.

Each director and executive has entered into written agreements with Uniti. This is intended to ensure that roles, responsibilities and accountabilities are clear and transparent, and that each parties' respective rights and obligations are well understood.

Each director has been provided with a letter of appointment which specifies terms including the Director's duties, obligations, remuneration, expected time commitments and notification of the Company's policies.

Executives have entered into formal services agreements or employment agreements with the Company describing their term of office, position and duties, remuneration, rights, responsibilities and entitlements on termination.

Recommendation 1.4 – The company secretary of a listed entity should be accountable directly to the board, through the Chair, on all matters to do with the proper functioning of the board.

The Company Secretary advises the Board and the Chairman on all governance matters and is responsible for matters relating to the proper functioning of the Board. The Company Secretary reports directly to the Board through the Chairman and is accessible to all directors (and vice versa).

Recommendation 1.5 – A listed entity should:

- a. *have and disclose a diversity policy;*
- b. *through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and*
- c. *disclose in relation to each reporting period:*
 - i. *the measurable objectives set for that period to achieve gender diversity;*
 - ii. *the entity’s progress towards achieving those objectives; and*
 - iii. *either:*
 - A. *the respective proportions of men and women on the board, in senior executive positions and across the whole workforce (including how the entity has defined “senior executive” for these purposes); or*
 - B. *if the entity is a “relevant employer” under the Workplace Gender Equality Act, the entity’s most recent “Gender Equality Indicators”, as defined in and published under that Act.*

The Company has a diversity policy which requires the Board to set measurable objectives for achieving gender diversity and to assess the objectives and the Company’s progress towards achieving them on an annual basis. The diversity policy aims to provide a work environment where employees have equal access to career opportunities, training and benefits. It also aims to ensure that employees are treated with fairness and respect and are not judged by unlawful or irrelevant reference to gender, age, ethnicity, race, cultural background, disability, religion, sexual orientation or caring responsibilities. This commitment enables the Company to attract and retain employees with the best skills and abilities.

As at the date of this report, 22% of the organisation were women; and 20% of the Board and executive positions respectively were occupied by women.

For the Reporting Period, no entity within the consolidated Group was deemed a “relevant employer” for the purposes of the Workplace Gender Equality Act 2012 and therefore Gender Equality Indicators are not required to be disclosed.

Whilst Uniti did not have formal measurable objectives for achieving gender diversity during the Reporting Period, the Board is considering measurable objectives to be adopted in FY21.

Recommendation 1.6 – A listed entity should:

- a. *have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and*
- b. *disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.*

The Board undertakes a review of the performance of the Chairman, the Board, Committees and individual directors, on an annual basis.

The process requires each Director complete a confidential questionnaire relating to the Board’s role, composition, procedures, practices and behaviour. The Chair leads a discussion of the questionnaire results with the Board as a whole and provides feedback to individual Directors as necessary.

A formal review was not undertaken during the Reporting Period. Instead, informal individual interviews and collective discussions at the Board level on the Board’s effectiveness and performance were regularly undertaken during the year.

In August 2020, a formal evaluation in accordance with the above process was commenced.

Recommendation 1.7 – A listed entity should:

- a. have and disclose a process for evaluating the performance of its senior executives at least once every reporting period; and*
- b. disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.*

The Board conducts an annual performance assessment of the MD & CEO against agreed performance measures determined at the start of the year. The MD & CEO undertakes similar assessments of the performance of the executives, including consideration of the senior executive’s function, individual targets, group targets, and the overall performance of the Company.

Other than the MD & CEO, most of the senior executives commenced employment with Uniti during the Reporting Period. The performance of each executive was therefore informally reviewed by the MD & CEO during the course of the year, with formal annual assessments to commence in this next year.

An assessment of the MD & CEO’s performance was undertaken by the Board during the Reporting period.

Principle 2: Structure the board to be effective and add value: A listed entity should have a board of an appropriate size, composition, skills and commitment to enable it to discharge its duties effectively.

Recommendation 2.1 – The board of a listed entity should:

- a. have a nomination committee which:*
 - i. has at least three members, a majority of whom are independent directors; and*
 - ii. is chaired by an independent director,*

and disclose:

 - iii. the charter of the committee;*
 - iv. the members of the committee; and*
 - v. as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or*
- b. if it does not have a nomination committee, disclose that fact and the processes it employs to address board succession issues and to ensure that the board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively.*

The Board maintains a combined Nomination and Remuneration Committee, the members of which are:

DIRECTOR’S NAME	EXECUTIVE STATUS	INDEPENDENCE STATUS
John Lindsay – Chair	Non-Executive Chairman	Independent
Graeme Barclay	Non-Executive Member	Independent
Kathy Gramp	Non-Executive Member	Independent

Under its Charter, the Nomination and Remuneration Committee must consist of a minimum of three members, a majority of whom are non-executive directors and an independent director (but not the Chair of the Board) as Chair. This requirement is satisfied by the current membership of this Committee.

A copy of the Committee Charter is available on Uniti’s corporate website: <http://unitigrouplimited.com>.

The number of Committee meetings held and attended by each member is disclosed in the ‘Meetings of directors’ section of the Directors’ report. The Executive Director, MD & CEO and the COO & Company Secretary may be invited to attend all Committee meetings.

Recommendation 2.2 – A listed entity should have and disclose a board skills matrix setting out the mix of skills and diversity that the board currently has or is looking to achieve in its membership.

The Board aims to be comprised of Directors who collectively have appropriate mix of skills, experience, diversity and knowledge to discharge its responsibilities and objectives. To this end, the Board has adopted a Board skills matrix which reflects the Company’s circumstance and requirements.

The skills matrix is reviewed annually by the Board to ensure that the Board has the operational and technical expertise required on an on-going basis to support Uniti’s current operations, and to take into account any change in Uniti’s circumstances and strategic priorities.

In respect of the Reporting Period, the following key skills were considered to be necessary and available across the current Board composition:

Executive leadership & Board experience	Financial literacy	Information Technology & Telecommunications Networks	Corporate Governance
Strategy	Mergers & Acquisitions	Technology Evolution & Innovation	Risk Management & oversight
Government, Government Relations & Policy	Capital markets	Industry background in telecommunications & complementary industries	Legal & Compliance
People & Culture	Capital management	Sales & Marketing	Entrepreneurship & business management

Recommendation 2.3 – A listed entity should disclose:

- a. the names of the directors considered by the board to be independent directors;
- b. if a director has an interest, position or relationship of the type described in Box 2.3 but the board is of the opinion that it does not compromise the independence of the director, the nature of the interest, position or relationship in question and an explanation of why the board is of that opinion; and
- c. the length of service of each director.

Recommendation 2.4 – A majority of the board of a listed entity should be independent directors.

The Board is composed of 5 directors, 3 (and therefore a majority) of whom are independent non-executive directors and 2 executive directors, including the MD & CEO.

Details of the directors, their appointment date, length of service and independence status is as follows:

DIRECTOR'S NAME	APPOINTMENT DATE	LENGTH OF SERVICE AT REPORTING DATE	INDEPENDENCE STATUS
Graeme Barclay	20 Sept 2018	23 months	Independent Non-Executive
John Lindsay	15 May 2018	27 months	Independent Non-Executive
Kathy Gramp	15 May 2018	27 months	Independent Non-Executive
Vaughan Bowen	13 March 2019	17 months	Executive
Michael Simmons	6 June 2019	14 months	Executive

The Board, with the guidance of the Nomination & Remuneration Committee, will continually assess whether there are any factors or considerations which may mean that a Director's interest, position, association or relationship might influence, or reasonably be perceived to influence, the capacity of the Director to bring an independent judgement to bear on issues before the Board and to act in the best interests of the Company and its security holders generally. Directors are required to advise the Board of any interest they have that has the potential to conflict with the interests of the Group, including any development that may impact their perceived or actual independence.

The Board has made the determination that the three non-executive directors are independent directors on the basis that they are free from any interest, position, association or relationship that might influence, or reasonably be perceived to influence the independent exercise of their judgement.

The Board has determined that Vaughan Bowen and Michael Simmons are not independent on the basis that they hold executive roles within the Company.

In reaching the conclusions set out above, the Board considered the guidelines of materiality for the purpose of determining Director independence set out in the Board Charter and Box 2.3 of the Recommendations.

Biographies of the directors, including their experience and qualifications, are set out in the Directors' Report section of the Annual Report, and are published on Uniti's corporate website: <http://unitigrouplimited.com>. Details of directors' attendance at meetings during the year ended 30 June 2020 are also set out in the Directors' Report.

The Board Charter is published in on Uniti's corporate website: <http://unitigrouplimited.com>.

Recommendation 2.5 – The Chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.

Graeme Barclay is the Chairman of the Board and is an independent, non-executive director of the Company. The role of the Chairman and his responsibilities is set out in the Board Charter.

The Chairman and the CEO are not the same person.

Michael Simmons is the MD & CEO of the Company. The MD & CEO is responsible for the day-to-day management and the implementation of the strategic objectives of Uniti.

Recommendation 2.6 – A listed entity should have a program for inducting new directors and for periodically reviewing whether there is a need for existing directors to undertake professional development to maintain the skills and knowledge needed to perform their role as directors effectively.

New directors undertake an induction program coordinated by the Company Secretary, designed to brief and inform the director on all relevant aspects of the Company's operations and background. A director development program is also available to ensure that directors can enhance their skills and remain abreast of important developments.

The code of conduct also incorporates its whistleblower policy and its anti-bribery and corruption policy.

Any material breaches of the code are required to be reported to the Board.

The Code of Conduct is further supplemented by a number of other policies which are intended to maintain integrity and confidence in Uniti and appropriately safeguard the reasonable expectations of Uniti's shareholders and other stakeholders, including:

- Communications and Continuous Disclosure Policy;
- Securities Trading Policy; and
- Risk Management Policy.

Uniti also has a health and safety policy in place to ensure it meets its legislative requirements and proactively addresses any key risks in this area.

The Code of Conduct, together with each other policy identified above in the commentary to this Recommendation, are published on Uniti's corporate website: <http://unitigrouplimited.com>.

DIRECTOR'S NAME	EXECUTIVE STATUS	INDEPENDENCE STATUS
Kathy Gramp – Chair	Non-Executive Chairman	Independent
Graeme Barclay	Non-Executive Member	Independent
John Lindsay	Non-Executive Member	Independent

Under its Charter, the Audit and Risk Committee must consist of a minimum of three members, a majority of non-executive directors and an independent director (but not the Chair of the Board) as Chair. This requirement is satisfied by the current membership of this Committee.

Details of the qualifications and experience of the members of the Committee is detailed in the 'Information on Directors' section of the Directors' report.

The Committee's core responsibilities and functions are set out in its Charter. The Charter of the Committee is published on Uniti's corporate website:

The number of Committee meetings held and attended by each member is disclosed in the 'Meetings of Directors' section of the Directors' report. The MD&CEO, Executive Director, Chief Financial Officer (CFO) and the COO & Company Secretary as well as external Auditors may be invited to attend Committee meetings.

The Board also receives a declaration from each of them that their opinion has been formed on the basis of a sound system of risk management and internal controls, which were operating effectively.

These declarations were received by the Board for each of the half year and full year financial statements for the reporting period.

Recommendation 4.3 – A listed entity should disclose its process to verify the integrity of any periodic corporate report it releases to the market that is not audited or reviewed by an external auditor.

Deloitte Touche Tohmatsu (Deloitte) was appointed Uniti's external Auditor following the approval of shareholders at the 2019 Annual General Meeting.

Prior to that, HLB Mann Judd acted as Uniti's external Auditor. The lead audit partner responsible for management of Uniti's external audit review for FY2019 attended Uniti's 2019 Annual General Meeting and shareholders were afforded the opportunity to ask questions in respect of the audit, in accordance with sections 250RA and 250T of the Corporations Act 2001 (Cth).

The lead audit partner overseeing Uniti's external audit for FY2020 from Deloitte has been invited to attend Uniti's Annual General Meeting for 2020 to answer any questions about the conduct of the audit for FY2020.

Principle 5: Make timely and balanced disclosure - A listed entity should make timely and balanced disclosure of all matters concerning it that a reasonable person would expect to have a material effect on the price or value of its securities.

Recommendation 5.1 – A listed entity should have and disclose a written policy for complying with its continuous disclosure obligations under listing rule 3.1.

The Board is committed to ensuring that Uniti makes timely and balanced disclosures to the market. The Board treats Uniti's disclosure obligations under the ASX Listing Rules and the Corporations Act 2001 (Cth) seriously and has established appropriate policies and procedures to ensure that these obligations are met.

During the reporting period, the Board had in place a written Communications and Continuous Disclosure Policy. The Policy addresses key disclosure issues, including those relating to acceptable conduct in respect of analyst briefings, media statements, public communications, circumstances in which trading halts must be requested and the internal processes for communicating announcements to the ASX in a timely manner.

All directors and employees have obligations under this Policy, including to fully disclose to Uniti all details of market sensitive information which comes to their attention.

Specific responsibilities are identified for the Chairman, the Board, the MD & CEO, the CFO and the Company Secretary. The Board is required to authorise announcements of significance to the Company. No member of the Company shall disclose market sensitive information to any person unless they have received acknowledgement from the ASX that the information has been released to the market.

In accordance with the Communications and Continuous Disclosure Policy, meetings and discussions with analysts must be approved by the CEO, which are generally conducted by the CEO and the CFO. The discussions are restricted to explanations of information already within the market or which deal with information that is not market sensitive.

The Communications and Continuous Disclosure Policy is available on Uniti's corporate website: <http://unitigrouplimited.com>.

Recommendation 5.2 – A listed entity should ensure that its board receives copies of all material market announcements promptly after they have been made.

Immediately upon receipt of notification that an announcement has been lodged and released to market, a copy of the announcement and receipt of lodgement is circulated to the Board via email.

Recommendation 5.3 – A listed entity that gives a new and substantive investor or analyst presentation should release a copy of the presentation materials on the ASX Market Announcements Platform ahead of the presentation.

Uniti has established a process whereby any new and substantive information which is shared with any third party, including where that information is the subject of a new and substantive investor or analyst presentation, is released on the ASX Market Announcements Platform ahead of the presentation. The Company Secretary is responsible for ensuring that this process is complied with.

Principle 6: Respect the rights of security holders - A listed entity should respect the rights of its security holders by providing them with appropriate information and facilities to allow them to exercise those rights effectively

Recommendation 6.1 – A listed entity should provide information about itself and its governance to investors via its website.

The Company maintains information in relation to governance documents, directors and senior executives, Board and committee charters, annual reports, ASX announcements and contact details on Uniti's corporate website: <http://unitigrouplimited.com>.

Recommendation 6.2 – A listed entity should have an investor relations program that facilitates effective two-way communication with investors.

Recommendation 6.3 – A listed entity should disclose how it facilitates and encourages participation at meetings of security holders.

Recommendation 6.5 – A listed entity should give security holders the option to receive communications from, and send communications to, the entity and its security registry electronically.

Uniti maintains effective and regular communication with its shareholders throughout the year, including through structured investor roadshows and release of information provided during roadshows publicly through ASX disclosure.

Throughout the Reporting Period, being Uniti's first full financial year as a listed entity, Uniti engaged frequently with its shareholders both formally and informally. Uniti also undertook a number of equity raising exercises in FY2020, which gave rise to the opportunity and the need for more frequent communication and engagement with its shareholders than would otherwise be expected.

Uniti held its annual general meeting in FY2019 in Melbourne and proposes to do so again in FY2020, subject to any restrictions that are in place on gatherings due to COVID-19. If Uniti is unable to hold its Annual General Meeting in

person, it will offer shareholders the opportunity to attend a virtual meeting in accordance with the requirements of the Corporations Act.

To encourage shareholders to communicate electronically with Uniti, Uniti' share registry has been instructed to enclose forms with each hardcopy communication dispatched to shareholders, offering shareholders the opportunity to receive communications from Uniti electronically, if they have not already elected to do so. Uniti has found that throughout this unusual period, electronic communication has provided a very effective communication between Uniti and its shareholders.

Other processes and practices adopted by Uniti to facilitate and encourage participation by Uniti's shareholders include:

- Providing proper advance notice of general meetings, including publishing key dates on the Corporate Governance section of Uniti's corporate website;
- Inviting shareholders to submit written questions to the Auditor prior to the Annual General Meeting providing an opportunity to ask questions of the external Auditor in respect of the audit, the audit report, accounting policies and Auditor independence at each Annual General Meeting;
- Permitting electronic direct voting in addition to voting via a proxy (or via a body corporate representative) or in person; and
- Affording shareholders, a reasonable opportunity to ask questions or make comments on Uniti's Remuneration Report and on the management of Uniti at each Annual General Meeting.

Recommendation 6.4 – A listed entity should ensure that all substantive resolutions at a meeting of security holders are decided by a poll rather than a show of hands.

All substantive resolutions at both Uniti's 2019 Annual General Meeting and the additional Extraordinary General Meetings held in 2019 and 2020, were decided by a poll rather than a show of hands. Uniti intends to continue this practice at all future meetings.

Principle 7: Recognise and manage risk - A listed entity should establish a sound risk management framework and periodically review the effectiveness of that framework.

Recommendations 7.1 - The board of a listed entity should:

Under its Charter, the Audit and Risk Committee must consist of a minimum of three members, a majority of non-executive directors and an independent director (but not the Chair of the Board) as Chair. This requirement is satisfied by the current membership of this Committee.

Details of the qualifications and experience of the members of the Committee is detailed in the 'Information on Directors' section of the Directors' report.

The Committee's core responsibilities and functions are set out in its Charter. The Charter of the Committee is available on Uniti's corporate website: <http://unitigrouplimited.com>.

The number of Committee meetings held and attended by each member is disclosed in the 'Meetings of Directors' section of the Directors' report. The MD&CEO, Executive Director, CFO and the COO & Company Secretary attend all Committee meetings as standing invitees.

Uniti has implemented a formal risk management policy and framework which outline the overarching principles for managing the material risks faced by Uniti in conducting its business and operations.

At least twice a year, the Executive team will undertake a detailed review and assessment of the key strategic, business, operational and environmental risks faced by Uniti's various business units, and of the risk management plans in place to mitigate those risks. The results of that review and assessment will be presented to the Audit & Risk Committee. In addition, the Audit & Risk Committee will also review the risk management policy and framework at least annually and will provide any recommendations for adoption by the Board. The Committee also receives a standing report at each meeting of the status of any risk management or mediation initiatives being undertaken.

At least once a year, the Board will undertake an annual review of the material risks which have been identified by the Executive and the Audit & Risk Committee, and consider whether or not all appropriate material risks have been addressed and appropriate risk mitigation plans are in place.

Any concerns raised through the Executive and/or any breaches, deviations or non-compliances with the framework or policy are reported to the Audit & Risk Committee.

Uniti's delegations of authority policy, through which authority for specific day to day management decisions are delegated to the MD & CEO and the Executive Team, is also regularly reviewed, at least annually. During the reporting period, this policy was reviewed twice in light of the level of change in the scale and operations of the business which occurred during the year, as well as the addition of various members of the Executive Team from time to time.

Uniti's insurance program is also comprehensively reviewed by the Audit & Risk Committee annually, with the support of the COO and Uniti's external insurance brokers.

Recommendation 7.3 – A listed entity should disclose:

- a. *if it has an internal audit function, how the function is structured and what role it performs; or*
- b. *if it does not have an internal audit function, that fact and the processes it employs for evaluating and continually improving the effectiveness of its governance, risk management and internal control processes.*

The Company did not have a dedicated internal audit function during the Reporting Period.

As set out in the Audit and Risk Committee Charter, the Committee has responsibility for the oversight of the effectiveness of the Company's system of risk management and internal controls and of the Company's systems and procedures for compliance with applicable legal and regulatory requirements

The Company's external Auditors provide recommendations to the Board where internal control weaknesses have been identified. The Audit and Risk Committee is responsible for overseeing the implementation of recommendations to improve internal control weaknesses identified by the Company's Auditors, as well as to generally oversee reviews and improvements to risk management and internal control processes.

The Audit and Risk Committee will continue to monitor the need for an internal audit function having regard to the size, location and complexity of the Company's operations and will periodically undertake an internal review of financial systems and processes where systems are considered to require improvement.

Recommendation 7.4 – A listed entity should disclose whether it has any material exposure to economic, environmental and or social sustainability risks and, if it does, how it manages or intends to manage those risks.

All material risks are announced to the market in accordance with the requirements of the ASX Listing Rules.

Disclosures relating to the Company's material business risks (including those that could adversely affect the Company's prospects for future financial years) and how these risks are managed are set out in the Annual Report.

Recommendation 8.1 – The board of a listed entity should:

- a. *have a remuneration committee which:*

and disclose:

 - iii. *the charter of the committee;*

 - v. *as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or*
- b. *if it does not have a remuneration committee, disclose that fact and the processes it employs for setting the level and composition of remuneration for directors and senior executives and ensuring that such remuneration is appropriate and not excessive.*

The Board maintains a combined Nomination and Remuneration Committee, the members of which are:

DIRECTOR'S NAME	EXECUTIVE STATUS	INDEPENDENCE STATUS
John Lindsay – Chair	Non-Executive Chairman	Independent
Graeme Barclay	Non-Executive Member	Independent
Kathy Gramp	Non-Executive Member	Independent

Under its Charter, the Nomination and Remuneration Committee must consist of a minimum of three members, a majority of non-executive directors and an independent director (but not the Chair of the Board) as Chair. This requirement is satisfied by the current membership of this Committee.

The Remuneration Committee oversees remuneration policy and monitors remuneration outcomes to promote the interests of shareholders by rewarding, motivating and retaining employees.

The Committee's core responsibilities and functions are set out in its Charter. The Charter of the Committee is available on Uniti's corporate website: <http://unitigrouplimited.com>.

Details of the qualifications and experience of the members of the Committee is detailed in the 'Information on Directors' section of the Directors' Report.

The number of Committee meetings held and attended by each member is disclosed in the 'Meetings of Directors' section of the Directors' report. The Executive Director, MD&CEO and the COO & Company Secretary may be invited to attend.

Recommendation 8.2 – A listed entity should separately disclose its policies and practices regarding the remuneration of non-executive directors and the remuneration of executive directors and other senior executives.

Non-executive directors are remunerated by way of cash fees, superannuation contributions and non-cash benefits in lieu of fees. The level of remuneration is based on Uniti's relative size and capacity to pay.

During the Reporting Period, the Chairman was also eligible to participate in the Senior Executive Long Term Incentive Plan, details of which are set out in the Company's Annual Report.

The Executive Team (including the Executive Directors) are remunerated using combinations of fixed and performance-based remuneration, and paid through a combination of cash and equity, in recognition of Uniti's relative size and capacity to pay. Performance-based remuneration is linked directly to specific performance targets that are aligned to both short- and long-term objectives.

Further details in relation to the Company's remuneration policies are contained in the Remuneration Report, within the Directors' report.

Recommendation 8.3 – A listed entity which has an equity-based remuneration scheme should:

- a. have a policy on whether participants are permitted to enter into transactions (whether through the use of derivatives or otherwise) which limit the economic risk of participating in the scheme; and*
- b. disclose that policy or a summary of it.*

Details of the Plans are set out in the Annual Report.

Uniti has adopted a Securities Trading Policy under which the use of derivatives or other hedging arrangements for unvested securities of Uniti or vested securities of Uniti which are subject to escrow arrangements is prohibited.
